

OHIC Answers Frequently Asked COVID-19 Questions

The Office of the Health Insurance Commissioner (OHIC) is working hard to protect consumers, and keep Rhode Islanders informed on all of the health insurance coverage changes during this difficult time. On our website we have answered the frequently asked questions we have received from consumers and providers, below are the links to those resources:

The Office of the Health Insurance Commissioner (OHIC) was established by legislation in 2004 to broaden the accountability of health insurers operating in Rhode Island. By statute the office is dedicated to:

- Protecting consumers
 - Encouraging fair treatment of medical service providers
 - Ensuring financial solvency of health insurers
 - Improving the health care system's quality, accessibility and affordability
