

Behavior Line Therapist

Full-time, Part-time

Minimum Experience: Entry level

Salary: \$15 - \$19 per hour based on experience

Navigate Behaviors wants you to join our crew! We are looking for experienced and enthusiastic behavioral technicians to provide one-to-one quality Applied Behavior Analysis (ABA) services. Both full-time and part-time positions are available. Behavior Technicians are responsible for implementing Behavior Intervention Plans and skill acquisition goals designed and supervised by a BCBA. Ongoing supervision and support are provided weekly.

This is a perfect opportunity for restricted and unrestricted fieldwork hours across a variety of learners! Individual and remote group opportunities are available monthly for practicum, supervised fieldwork, and concentrated fieldwork candidates!

Responsibilities:

- Provide quality 1:1 instruction to children with developmental disabilities in communication, social, play, and adaptive skills behavior plan programs in their home and clinic.
- Ability to teach in a creative manner at a variety of speeds.
- Record objective daily data on target behaviors, programs, and teaching procedures to reflect client progress toward goals using company software.
- Maintain daily session notes.
- Maintain effective communication and rapport with caregivers, team members, and supervisors.
- Participate in all required meetings and trainings including ABA orientation, ethics, and other job-related topics.

Qualifications:

- Minimum of 30 hours of college credit in ABA, Psychology, Education, or other related fields. Bachelor's degree strongly preferred.
- Valid driver's license and reliable transportation with proof of current auto insurance.
- Ability to pass required background screenings.
- Evening and weekend availability strongly preferred.
- Ability to commit to at least one calendar year of employment.
- Registered Behavior Technician (RBT) certification strongly preferred or the desire to get certified.

Compensation & Benefits:

- Competitive hourly wage
- Flexible schedule / work-life balance
- Paid time off and mileage reimbursement (Full-Time only)
- Paid holidays (Full-Time only)
- Health, dental & vision (Full-Time only)
- Comprehensive training and on-going client supervision are provided
- Opportunity to complete RBT credentialing with the BACB
- A supportive and positive work environment with quality supervision provided by a licensed BCBA
- Potential to advance to Behavior Consultant position pending Board Certification
- Company provided laptop
